99th ANNUAL

OFFICIAL YEARBOOK

FOREWORD

FOREWORD

This yearbook provides a detailed accounting of the past years' activities for the NDHSAA. I would like to thank the Board of Directors, NDHSAA office staff and all representatives of the member schools for your dedication and commitment to the Association.

Farmers Union Insurance completed its 15th year as the Premiere Partner of NDHSAA and continues to be actively involved in all activities, including the Distinguished Student Program. Vision Zero has been a supporting sponsor of Association sponsored activities for the past ten years. For the fifth straight year, the Marcil Foundation provided a \$75,000 donation to member schools as part of the NDHSAA's Tier I Television partnership with Forum Communications. In 2023-23, Choice Bank completed their first year as the official banking partner of the NDHSAA. The Association is very appreciative for what all of these organizations do for the athletes and fine arts students in North Dakota.

Some highlights from the 2022-23 school year included the following changes:

- *Approved a third division of basketball beginning with the 2023-24 season.

- *The implementation of individual region tournaments for girls wrestling to qualify for state as well as the first NDHSAA State Girls Wrestling Dual Tournament.

- *The State Girls Hockey Tournament was played separately from the Boys Tournament for the first time since 2007. The tournaments will shift back to a combined format in February 2024.

- *The creation of classification committees for football and basketball to determine team classifications in future years.

Once again, the NDHSAA served a large number of students in grades seven through twelve. The most recent completed survey indicates there were 25,225 student participants in sports activities and 12,492 student participants in fine arts. The State B Girls Golf Tournament, State Boys Soccer Tournament, State Cross Country Meet, and the State Girls Swimming & Diving meet all set admission records in the fall. The winter was long and harsh, causing as many winter tournament and spring regular season postponements as ever. However, the State Track & Field Meet, State Girls Tennis Tournament, and State A Baseball & Softball Tournament all set gross admissions records in the spring. Over \$342,000 was distributed to member schools through the team payment program at the conclusion of the 2022-23 school year. Distribution has totaled more than \$5.25 million since the team payment plans inception in 2005-06.

The NDHSAA continues to be a very successful organization that serves North Dakota students who wish to be involved in educationally based activities. It is important that each member school feels as though they are an important part of the Association. Your support is greatly appreciated.

Executive Director

They also discussed an issue of unpaid media bills for the PSP network. PSP paid their fees as of this meeting.

Hillsboro-Central Valley used an ineligible transfer student in a varsity girls cross country meet. The Executive Board issued the prescribed penalty.

White Shield exceeded the daily set limit in volleyball, Executive Board issued the prescribed penalty.

Kenmare and Burke Central filed a late coop dissolution request for football in 2023-24. The Executive Board denied this request.

Motion by Johnson to approve the Executive Board report as presented, seconded by Clooten. Motion carried unanimously.

Johnson provided the Finance/Personnel & Policy Committee report.

The committee reviewed Sections VI and VII of the NDHSAA Policy relative to tournament solicitations and exhibits. The committee recommends compelling Executive Director Fetsch to continue researching current relationships and potential impact with those.

The committee also discussed the possibility of investigating an emerging sports/activities definition/category of activities. The committee plans to review similar categories in other states.

The Finance/Personnel & Policy Committee recommends adjusting the stipends for Fine Arts Judges. The stipends have not been adjusted since 2007-08. The total cost to the Association for this adjustment would be \$3,208.00 in 2022-23. The committee recommends making this adjustment.

Motion by Bakke to approve the adjusted Fine Arts Judge stipend as presented, seconded by Jundt. Motion carried unanimously.

The committee reviewed the State Class B Basketball Ticket prices. Based on ticket scanning capabilities at current venues, the committee recommends changing the tournament ticket price for general public premium seating from \$84 to \$72, the tournament ticket price for general public non-premium seating from \$72 to \$60, and the tournament ticket price for qualifying teams from \$54 to \$60. There would be no changes to the current student tournament ticket prices of \$24.

Motion by Aanenson to approve changes to the State Class B Basketball Ticket prices as presented, seconded by Fridley. Motion carried unanimously.

Valley Office Works, who produces the NDHSAA Directory, has asked for a 10% increase for the 2022-23 directory due to increased paper costs. The total cost increase to the Association would be \$376.98. The committee recommends Board approval of the Valley Office Works request and would like staff to inform Valley Office Works of a possible switch to an online only directory beginning in 2023-24.

Motion by Jundt to approve the Valley Officeworks increase for the 2022-23 year and switch to a digital format in 2023-24, seconded by Bakke. Motion carried unanimously.

The committee reviewed the current coop application form and recommended eliminating the sections referenced current and projected participation numbers. The form would also allow for electronic signatures of Superintendents.

Jundt recommends leaving the projected participation numbers fields on the form.

Motion by Diegel to approve the proposed changes to the coop application form, leaving the participation number fields on the form, seconded by Jundt. Motion carried unanimously.

Motion by Jundt to approve the Finance/Personnel & Policy Committee report, seconded by Diegel. Motion carried unanimously.

Schoch presented the Realignment Committee report.

The committee recommends setting preliminary regions for the 2023 football season in accordance with the football classifications timeline. Regions will be finalized on or before December 1, 2022. If Cavalier advances to the 9-man championship game in 2022 their success points will move them to Class B 11-man in 2023. If Sargent County does not advance to the 11B playoffs in 2022 they will be eligible to opt down to 9-man in 2023.

9-man will have between 38 to 40 teams in 2023 and Class B 11-man will have 33-35 teams. The committee recommends four regions of 9-man and four regions of Class B 11-man in 2023 to help member schools with non-region scheduling. This recommendation would also include four rounds of playoffs consisting of 16 teams per division.

At this time, there would be no changes to the 11AA or 11A divisions in 2023. Fargo North is the only opt down eligible team who has not confirmed they are opting down. They have until October 15, 2022, to make their decision.

The committee recommends the following changes to the football guidelines:

Eliminate Guideline #10, which states:

10. In the 11AA and 11A divisions, each team's regular season schedule shall include at least 7 intraconference (EDC and WDA) games unless other opponents are mutually agreed upon by representatives of both conferences.

Motion by Fridley to approve changes to the football guidelines as presented, seconded by Clooten. Motion carried unanimously.

Add the following language to Guideline #15-c-ii.

Only seniors from the applying school would be eligible for varsity competition for a \$1000 non-compliance fee per player unless the new coop's classification is not affected.

Motion by Aanenson to approve changes to the football guidelines as presented, seconded by Jundt. Motion carried unanimously.

The committee recommends sending out a survey regarding football classifications and guidelines to Class A Athletic Directors and Class B Superintendents on Friday, September 23, 2022 and closing on October 10, 2022.

The committee recommends 2023-24 Class B wrestling regions, which include an East and a West for individual and four sub-regions for dual qualifying.

Motion by Bakke to approve 2023-24 Class B wrestling regions as presented, seconded by Jordan. Motion carried unanimously.

White Shield will be having a boys wrestling team beginning in the 2022-23 season. Realignment Committee recommends assigning them to Region 4 for the 2022-23 season.

Motion by Aanenson to approve placing White Shield in Region 4 for boys wrestling for the 2022-23, seconded by Fridley. Motion carried unanimously.

The Realignment committee will meet again on October 20, 2022 in Bismarck.

Motion by Jundt to approve the Realignment Committee report, seconded by Jordan. Motion carried unanimously.

Diegel presented the Tournament Committee's report. The committee discussed introducing individuals during state tournament awards ceremonies. The committee recommends announcing individuals following their final game of the tournament in team sports, except for football. If individuals were announced following each Dakota Bowl game, kick-off would have to move up one hour earlier to 8:00 am to accommodate. The committee recommends NDHSAA Staff inquire with television to see if it is possible to scroll the individual names of team members for both teams on the bottom of the screen during the awards ceremony.

The Region 1 girls basketball tournament is currently scheduled for Feb. 20, 21, and 23, 2023 at the SHAC in Fargo. NDSU's men have a Summit League contest vs. St. Thomas scheduled on Thursday, February 23. Board action will be required to move the tournament to Feb. 20, 21, and 24, 2023.

Motion by Clooten to approve the Tournament Committee report, seconded by Aanenson. Motion carried unanimously.

Jundt presented the Eligibility Committee report.

The eligibility committee heard hardship denial appeals from Garrison High School and Turtle Mountain Community High School on the afternoon of Wednesday, September 14. The committee reconvened on the afternoon of Thursday, September 15 to further discuss each case and unanimously agreed to deny each appeal based on NDHSAA by-laws, regulations, and policy.

Motion by Aanenson to approve the Eligibility Committee report, seconded by Johnson. Motion carried unanimously.

Diegel presented the Awards & Canvassing Committee report. The committee reviewed the 2023 National High School Hall of Fame nominees. Dan Carr and Dave Carlsrud are still in the hopper for Coach and Other categories. Athlete, Fine Arts, and Official are currently open. The committee will decide on any other potential candidates in December.

Motion by Jordan to approve the Awards & Canvassing Committee report as presented, seconded by Bakke. Motion carried unanimously.

Fletschock reported on the North Dakota Officials Association's fall meeting that took place on Wednesday, September 21, 2022. NDOA will be forming a committee to review officials pay in certain sports. Five officials were approved and inducted into NDOA Hall of Fame, Lynda Bertsch, Minot, Volleyball; Tim Campbell, Fairmount, Basketball and Football; Mike Nider, Mandan, Football and Wrestling; Mitch Parker, Fargo, Basketball and Football; Stephanie Smith, Bismarck, Volleyball.

Parshall High School appealed the Executive Board penalty imposed on August 23, 2022. Andrew Zarembinski, Athletic Director at Parshall High School provided documentation detailing how they have already lost funds due to gate and concessions from their 4 home games that were cancelled. His hope is to reduce the amount of the fine. All officials were successfully reassigned to different games. Alexander, MLS and Dunseith were able to reschedule games. Tioga, Surrey, Divide County and Berthold lost games and were unable to reschedule.

Jundt states that he would be fine amending the Executive Board decision to only include the 4 games that were unable to be rescheduled. Diegel notes that some of the schools that were able to reschedule had to go through the work to reschedule and may have lost home game revenue and must pay travel to expenses to an away game.

Motion by Clooten to eliminate officials penalties, seconded by Fridley. Motion carried unanimously.

Motion by Johnson to maintain the prescribed game penalty of \$1,000 per varsity game cancelled or postponed as issued by the Executive Board, seconded by Jordan. Schoch calls for roll call vote. Aanenson, yes; Bakke, yes; Clooten, yes; Diegel, yes; Fridley, no; Johnson, yes; Jordan, yes; Jundt, no; Schoch, yes. Motion carried 7-2.

Johnson supplied a report from the 3-Class focus group.

Schoch directed Fetsch to confer with NDHSAA Legal Counsel to get an interpretation of the focus group's proposed multiplier regarding school districting relative to private schools.

Fetsch presented the Executive Director report.

There were 28 administrators at the New Administrator Orientation on August 9, 2022, in Valley City.

158 schools attended the Region Administrator Meeting, 13 schools did not.

Fetsch gave an update on the NFHS Section V Meeting held Aug 30 – Sept 2 in Nebraska.

Fetsch has ruled on six hardship waivers and two were appealed to the Eligibility Committee.

The next board meeting is scheduled for Thursday, December 1 at 10:00 am CDT in Valley City at the NDHSAA Office.

Schoch adjourned the meeting at 1:20 pm CDT.

Respectfully Submitted,
Nickolas Walton
Assistant Director

Motion by Aanenson to approve the consent agenda as presented, seconded by Fridley. Motion carried unanimously.

Mitch Carlson, Superintendent at LaMoure High School, presented a 3-class basketball proposal to the Board of Directors. Carlson reviewed the the history of the plan, including how they developed the focus group.

Jundt extended his thanks to the focus group for the time and energy that they put into the very detailed proposal. Jundt asked about the 2023-24 timeline. He feels that that timeline would be unrealistic based on information that wasn't included in the focus group proposal. He noted disparities in the divisions on the level of support in two out of the 3 proposed classes.

Fridley agrees with Jundts feelings. He also asked for clarification regarding the schools that did not submit a letter. Carlson responded that they were considered no votes.

Johnson stated that board members should ask questions only about the proposal and not give opinions about the proposal. Clooten and Diegel agreed.

Diegel asked about the legality of the multiplier. Carlson pulled up a second presentation that detailed how they researched and developed the multiplier.

Jundt asked about any court cases that denied the multiplier as legal. Carlson said he could not find any. Jundt also asked if Carlson felt that if the board found a middle ground that would benefit everyone.

Johnson asked about travel concerns, particularly in the middle class. Jason Simpfenderfer, Athletic Director at Beulah High School and member of the focus group, stated he researched the mileage and stated in his circumstances that travel wouldn't be increased much than they currently travel. He did say that others may be more effected, but that creative scheduling may help alleviate these issues.

Schoch asked Carlson about who would pay for legal fees in the event of a lawsuit. Carlson responded that it would most likely fall on the member schools of the NDHSAA.

Jason thanked the Board of Directors for the opportunity to make the proposal and that they trust the judgement of the board.

Schoch opened the floor to those in the audience, permitting them a three minute time limit to speak.

DISTINGUISHED STUDENTS

The Distinguished Student Award program recognizes outstanding high school juniors for their activity participation and leadership within their schools and communities. These students are acknowledged for being positive role models and peer motivators.

Beginning in 2012-13, Farmers Union Insurance became the partner in this program and provides funds for the scholarship awards. The Distinguished Student receives a \$2000 scholarship, the runner-up a \$1000 scholarship and the other four finalists each receive a \$500 scholarship.

The Distinguished Student and the other finalists are student ambassadors for the NDHSAA and are invited to help present awards at various events as well as lead the “Parade of Champions” held in March of each year. They will also help promote High School Activities Week, as well as promote the values of high school activities participation.
