1991 CHAMPIONS – WASHBURN

Front row, from left: Samantha (Hillerud) Neary, Meridith (Loe) Derrig, Amy (Geiger) Edwards, Kimberly (Bender) VonBank, Maren (Loe) Binkley, Kimberly Goetz, Claudia (Carr) Kuball, Stephanie (Bender) Olander, Darci Ellwein. Back row, from left: Head coach Len Stanley, assistant coach Laura Tweeten.

The Washburn Cardinals rewrote their motto back in 1991 from “Yes We Can” to “Yes We Did!”
At the Class B State Tournament in Bismarck, the Cardinals pulled a hat trick by taking home the Cheering Award, the Spirit Award, and the Class B Championship title. And in taking the championship, the Cardinals smashed four tournament records.
Washburn’s 87 points topped Beach and Esmond’s previous high scores for a championship game of 82, as well as the high score for any game in the tournament when they topped Midkota 87-53. The Cards’ 214 total points for the tournament bounded over Beach’s previous record of 208 set in 1989, and Midkota and Washburn combined for the most points scored in a championship game, 140, which betters the old record of 119 set by Braddock and Marion-Montpelier in 1988.
“It was just a fantastic weekend for the Washburn school and community,” commented Washburn Superintendent Wes Kessler.
And more than the winning of the awards, the pride in the community and camaraderie of the team and fans shown through at the tournament.
“Whether the team, the band, or the student conduct. . . the whole operation, the community . . . the result was ambassadorship for our school,” said Kessler.

State Girls Class B
Basketball Tournament.
Good Luck
to all participants!

NORTH DAKOTA
HIGH SCHOOL
ACTIVITIES ASSOCIATION
BRIEF HISTORY

The activities association was founded in 1908 under the name of the High School League and originally was concerned only with athletics. In 1923, the state organization became affiliated with the National Federation of High School Athletic Associations. A full-time executive director was employed in 1949, an assistant was added in 1963, a girls' sports supervisor in 1973, and a music and speech coordinator in 1978.

In 1950 the Consolidated League, an organization of the smaller schools of the state, affiliated with the High School League, thereby uniting all high schools of the state under one organization. Music and speech activities were placed under the direction of the Association in 1955, and the name was changed to the North Dakota High School Activities Association at that time.

Schools in the League were all one class for basketball competition from 1908 to 1932. A two-class system was used from 1933 to 1947 and a three-class system from 1948 to 1963. In 1964 the two-class system was restored and this arrangement has been in effect since then up to the present time.

Official state champions have been named in track since 1908 and in basketball since 1914. Official champions in other sports were later added as follows: golf and tennis 1938; baseball 1950; wrestling 1959; cross country 1961; hockey 1967; girls' track, golf and tennis 1966; girls' gymnastics 1969; girls' basketball 1974; boys' & girls' swimming 1974. State football championships were determined off and on between 1916 and 1959, when the practice was discontinued, but again restored in 1975. Basketball tournaments for girls were conducted by the Consolidated League for a number of years and by the NDHSAA from 1952 to 1960, at which time they were discontinued because of the small number of schools fielding teams. Girls' basketball was reinstated as an Association-sponsored activity in 1973 on a district level, with separate state Class A and Class B champions being named since 1974. Class A girls' volleyball state champions were first named in 1984 and Class B girls' volleyball state champions were first named in 1989. Boys' state soccer champions were first named in 1995 and girls' state soccer champions in 1996. Girls' state hockey champions were first named in 2003. Girls' softball champions were first named in 2009 with separated A and B champions in 2012.

NDHSAA Tournament Sportsmanship

Good sportsmanship is conduct which imposes a type of self-control involving honest rivalry, courteous relations and graceful acceptance of results.

School spirit is a reflection of those attitudes and behavior. Spectator etiquette requires that we refrain from displaying any action to taunt opponent's fan section such as carrying flags around the court and stopping to taunt the opponent's fan section. This may lead to competition among observers which is mistakenly under the guise of good sportsmanship.

Spectators are asked to remain in their designated fan section. Approaching the opponent's fan section for the purpose of taunting and baiting will not be tolerated. Also, carrying of flags around the court will NOT be allowed! The use of profanity at ANY TIME will NOT be tolerated.

Good sportsmanship shall be defined as those qualities of behavior which are characterized by generosity and genuine concern for others. An awareness is expected concerning the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity.

Brenda K. Dahlgren

She coached at NDSCS with her husband, Daniel, from 1990 to 1996 earning a National Junior College tournament appearance for their team in 1996. She decided to go into teaching at Fairmount in 2009 where she continues to teach business and computer classes. She has been the head womens basketball coach for the FCT coop for seven years.

Brenda and her husband, Daniel, live in Breckenridge. They have a daughter Kelsey (22), a daughter Katrina (19), and a son Derek (16).

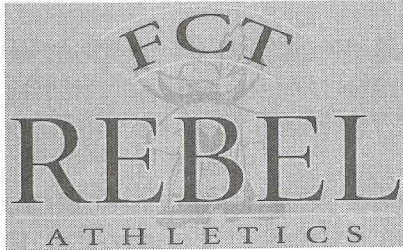

Brenda K. Dahlgren attended high school in Roscoe, South Dakota, graduating in 1983. After graduating she attended NDSCS where she received an AA degree in business administration. She continued her education at MSUM and graduated with a bachelors degree in business education in 1987. Brenda participated in both basketball and track & field athletic programs at both NDSCS and MSUM.
