The 1992 North Dakota High School Activities Association Class B Girls Basketball State Tournament was played at the Bismarck Civic Center. One team – the Bowman Bulldogs – in the field of eight entered the tournament undefeated.

The Bulldogs were a team that thrived all season playing and working together on the court. Bowman would keep its perfect season intact with a 59-49 win over defending state champion Washburn in the 1992 championship game.

The Bulldogs opened the 1992 tournament with a 59-54 win over Langdon in the quarterfinals and followed up with a 62-46 victory against Marion/Montpelier in the semifinals.

Prior to state, Bowman posted a 24-0 record averaging 65.6 points per game and allowing opponents an average of 40.6 ppg.

Bowman was led by junior guard Tanya Fischer, who entered state having scored 621 points (30 points per game average). Fischer set tournament records for most free throws in a game with 21 vs. Washburn in the state title game and also set the record for free throws in a tournament with 28. Fischer would go on to score 3,148 points in her prep career and won the 1993 North Dakota Miss Basketball Award.

Bowman was coached by John Bachmeier. Bachmeier was in his first year coaching the Bulldogs in 1992.

The 1992 Bowman squad was the first team in program history to qualify for state and remain the program's only team to have won a state championship.

Bowman finished the 1992 season with a 27-0 record.

## NORTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION BRIEF HISTORY

The activities association was founded in 1908 under the name of the High School League and originally was concerned only with athletics. In 1923, the state organization became affiliated with the National Federation of High School Athletic Associations. A full-time executive director was employed in 1949, an assistant was added in 1963, a girls' sports supervisor in 1973, and a music and speech coordinator in 1978.

In 1950 the Consolidated League, an organization of the smaller schools of the state, affiliated with the High School League, thereby uniting all high schools of the state under one organization. Music and speech activities were placed under the direction of the Association in 1955, and the name was changed to the North Dakota High School Activities Association at that time.

Schools in the League were all one class for basketball competition from 1908 to 1932. A two-class system was used from 1933 to 1947 and a three-class system from 1948 to 1963. In 1964 the two-class system was restored and this arrangement has been in effect since then up to the present time.

Official state champions have been named in track since 1908 and in basketball since 1914. Official champions in other sports were later added as follows: golf and tennis 1938; baseball 1950; wrestling 1959; cross country 1961; hockey 1967; girls' track, golf and tennis 1966; girls' gymnastics 1969; girls' basketball 1974; boys' & girls' swimming 1974. State football championships were determined off and on between 1916 and 1959, when the practice was discontinued, but again restored in 1975. Basketball tournaments for girls were conducted by the Consolidated League for a number of years and by the NDHSAA from 1952 to 1960, at which time they were discontinued because of the small number of schools fielding teams. Girls' basketball was reinstated as an Association-sponsored activity in 1973 on a district level, with separate state Class A and Class B champions being named since 1974. Class A girls' volleyball state champions were first named in 1984 and Class B girls' volleyball state champions were first named in 1989. Boys' state soccer champions were first named in 1995 and girls' state soccer champions in 1996. Girls' state hockey champions were first named in 2003. Girls' softball champions were first named in 2009 with separated A and B champions in 2012.

### NDHSAA Tournament Sportsmanship

Good sportsmanship is conduct which imposes a type of self-control involving honest rivalry, courteous relations and graceful acceptance of results.

School spirit is a reflection of those attitudes and behavior. Spectator etiquette requires that we refrain from displaying any action to taunt opponent's fan section such as carrying flags around the court and stopping to taunt the opponent's fan section. This may lead to competition among observers which is mistakenly under the guise of good sportsmanship.

Spectators are asked to remain in their designated fan section. Approaching the opponent's fan section for the purpose of taunting and baiting will not be tolerated. Also, carrying of flags around the court will NOT be allowed! The use of profanity at ANY TIME will NOT be tolerated.

Good sportsmanship shall be defined as those qualities of behavior which are characterized by generosity and genuine concern for others. An awareness is expected concerning the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity.
