A 25 Year Tribute to the Past

1994 CHAMPIONS — HAZEN BISON

Back row, from left: Coach Don Fischer, Traci Brunner, Lacey Hellmuth, Angela Belgarde, Dannette Wegner, Lisa Johnson, Hope Scheid and coach Randy Johnson. Middle row: Amy Berg, Kristi Field, Jessi Melland, Codi Gruenich, Tammy Kitzman and Erick Field. Front row: Amber May, Letty Heinzer, Amanda Rathjen, Sarah Gabriel, Megan McKee and Amber Buri.

The 1994 Hazen girls basketball team kept its focus squarely on making a state tournament appearance the entire season. The Bison had been to state in 1985 and the 1994 squad featured a talented roster eager to show they belonged among the state's best teams.

Hazen was led by senior captains Jessi Melland (All-State First Team, ND Miss Basketball Finalist), Lacey Hellmuth and Dannette Wegner. Contributions came from the entire roster in 1994 helping the Bison grab a District 13 championship.

All-District 13 honorees for Hazen were: Melland, Hellmuth and Wegner. Melland and Hellmuth were selected to the District 13 All-Tournament Team.

A 58-37 win over Washburn in the Region 7 championship game punched Hazen's ticket to the state tournament. Melland and Wegner were All-Region 7 Tournament Team selections. The 1994 Class B State Tournament field included Hazen, Divide County, Gackle-Streeter, New England/Regent, Midkota, Milnor, Langdon and Thompson.

The Bison opened state with a 60-54 overtime win over New England/Regent in the quarterfinals and followed up with another tight game in the semifinals against Divide County — a game Hazen won by a 55-52 margin.

Hazen would meet Langdon in the state title game. The Bison would come away with a 49-40 victory to win the state championship. Melland, Hellmuth and Amy Berg represented Hazen on the All-Tournament Team at State.

The Bison finished the 1994 season with a record of 25-3.

NORTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION BRIEF HISTORY

The activities association was founded in 1908 under the name of the High School League and originally was concerned only with athletics. In 1923, the state organization became affiliated with the National Federation of High School Athletic Associations. A full-time executive director was employed in 1949, an assistant was added in 1963, a girls' sports supervisor in 1973, and a music and speech coordinator in 1978.

In 1950 the Consolidated League, an organization of the smaller schools of the state, affiliated with the High School League, thereby uniting all high schools of the state under one organization. Music and speech activities were placed under the direction of the Association in 1955, and the name was changed to the North Dakota High School Activities Association at that time.

Schools in the League were all one class for basketball competition from 1908 to 1932. A two-class system was used from 1933 to 1947 and a three-class system from 1948 to 1963. In 1964 the two-class system was restored and this arrangement has been in effect since then up to the present time.

Official state champions have been named in track since 1908 and in basketball since 1914. Official champions in other sports were later added as follows: golf and tennis 1938; baseball 1950; wrestling 1959; cross country 1961; hockey 1967; girls' track, golf and tennis 1966; girls' gymnastics 1969; girls' basketball 1974; boys' & girls' swimming 1974. State football championships were determined off and on between 1916 and 1959, when the practice was discontinued, but again restored in 1975. Basketball tournaments for girls were conducted by the Consolidated League for a number of years and by the NDHSAA from 1952 to 1960, at which time they were discontinued because of the small number of schools fielding teams. Girls' basketball was reinstated as an Association-sponsored activity in 1973 on a district level, with separate state Class A and Class B champions being named since 1974. Class A girls' volleyball state champions were first named in 1984 and Class B girls' volleyball state champions were first named in 1989. Boys' state soccer champions were first named in 1995 and girls' state soccer champions in 1996. Girls' state hockey champions were first named in 2003. Girls' softball champions were first named in 2009 with separated A and B champions in 2012.

NDHSAA Tournament Sportsmanship

Good sportsmanship is conduct which imposes a type of self-control involving honest rivalry, courteous relations and graceful acceptance of results.

School spirit is a reflection of those attitudes and behavior. Spectator etiquette requires that we refrain from displaying any action to taunt opponent's fan section such as carrying flags around the court and stopping to taunt the opponent's fan section. This may lead to competition among observers which is mistakenly under the guise of good sportsmanship.

Spectators are asked to remain in their designated fan section. Approaching the opponent's fan section for the purpose of taunting and baiting will not be tolerated. Also, carrying of flags around the court will NOT be allowed! The use of profanity at ANY TIME will NOT be tolerated.

Good sportsmanship shall be defined as those qualities of behavior which are characterized by generosity and genuine concern for others. An awareness is expected concerning the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity.

The History of Basketball

Invention of the game

The game of basketball as it is known today was created by Dr. James Naismith in December 1891 in Springfield, Massachusetts, to condition young athletes during cold months.

It consisted of peach baskets and a soccer style ball. He published 13 rules for the new game. He divided his class of eighteen into two teams of nine players each and set about to teach them the basics of his new game. The objective of the game was to throw the basketball into the fruit baskets nailed to the lower railing of the gym balcony. Every time a point was scored, the game was halted so the janitor could bring out a ladder and retrieve the ball. After a while, the bottoms of the fruit baskets were removed. The first public basketball game was played in Springfield, Massachusetts, on March 11, 1892.

The first basketball game

On December 21, 1891, James Naismith published rules for a new game using five basic ideas and thirteen rules. That day, he asked his class to play a match in the Armory Street court: 9 versus 9, using a soccer ball and two peach baskets. Frank Mahan, one of his students, wasn't so happy. He just said: "Harrumph. Another new game". However, Naismith was the inventor of the new game. Someone proposed to call it "Naismith Game", but he suggested "We have a ball and a basket: why don't we call it basketball?" There were other differences between Naismith's first idea and the game played today. The peach baskets were closed, and balls had to be retrieved manually, until a small hole was put in the bottom of the peach basket to poke the ball out using a stick. Only in 1906 were metal hoops, nets and backboards introduced. Moreover, earlier the soccer ball was replaced by a Spalding ball, similar to the one used today.

Professional leagues, teams, and organizations

The first professional league was founded in 1898. Six teams took part in the National Basketball League, and the first champions were the Trenton Nationals, followed by the New York Wanderers, the Bristol Pile Drivers and the Camden Electrics. The league was abandoned in 1904. Then, many small championships were organized, but most of them were not as important as some teams who played for money against challengers.

The Original Celtics, for instance, are considered the "fathers of basketball" and were presented as "World's Basketball Champions"; the players had to sign a contract to play with them, and Jim Furey organized matches as a circus, moving daily from town to town. The Celtics became the strongest team, and their successes lasted from 1922 until 1928, when the team disbanded due to ownership problems. The Original Celtics are sometimes incorrectly thought of as forebears of the current Boston Celtics of the NBA; in reality, they share only a name, as today's Celtics were not founded until 1946, nearly two decades after the demise of the Original Celtics.

High School Fans**

SPORTSMANSHIP

These are high school athletes who are performing here tonight.
They are friendly rivals as members of opposing teams. They are not
enemies. This basically is the theme of interscholastic athletics . . .
the idea of friendly competition.

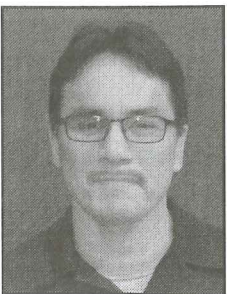

Sportsmanship should be reflected by all spectators, too,
no matter what their feelings of loyalty may be to one or
the other of the teams in tonight's contest.
