Welcome from Grand Forks Tournaments!

Welcome to Grand Forks and the 2020 North Dakota Class B Girls' Basketball Tournament. We look forward to providing an exciting and memorable experience for all the athletes, coaches and fans. We would like to take this opportunity to thank the Betty Engelstad Sioux Center staff and administration for their cooperation and assistance with the tournament. We also thank the Greater Grand Forks Convention and Visitors Bureau for their efforts to promote the tournament. We also express our gratitude to the many workers and volunteers whose efforts have been focused on this tournament. It takes the support of these individuals and the entire community of Grand Forks to make this tournament a success.

Enjoy your time in Grand Forks and support the teams as they demonstrate the ability, character and sportsmanship that make them all champions.

Good luck to all of the teams.

A 25 Year Tribute to the Past

1995 CHAMPIONS – MIDKOTA MUSTANGS

Front row, from left: Tiffany Fisher, Natalie Stangeland and Amy Hoffman. Middle row: Enoch Bell, Jeremy Neuharth, Nina Topp, Jess Black, Louise Delfs, Megan Fiechtner, Kari Christianson, Erika Hegvik, Wade Tufte and Elijah Bell. Back row: Assistant coach Mike Monson, Liz Topp, Mandy Bartlett, Lindsey Borgen, head coach Byron Hoeckle, Joanie Lenz, Holly Johnson, Kristi Gronneberg and assistant coach Mike Timm.

The early 1990s was a great time for Midkota girls basketball. The Mustangs won five straight district championships (1991-1995) and had appeared in the Region 4 Tournament championship game for six consecutive years (1990-1995). In that span, Midkota, coached by Byron Hoeckle, won Region 4 titles in 1991, 1992, 1994 and 1995.

The 1995 season was the culmination of all the Mustangs' success. Midkota (a consolidated school district comprised of Glenfield, Sutton, McHenry, Binford and Grace City) defeated Leeds 51-43 in the 1995 Region 4 championship. The next stop would be the Minot State Dome for the NDHSAA Class B State Tournament.

Joining the Mustangs in Minot at state were Starkweather, Milnor, Hatton, Linton, Hettinger, Washburn and Watford City.

In the quarterfinals, Midkota matched up with Starkweather, a team that had defeated the Mustangs 62-55 in the regular season. Midkota avenged the loss with a 60-50 victory led by senior forward Megan Fiechtner who scored 17 points and senior guard Nina Topp who scored 16 against Starkweather.

Midkota would play Hatton in the semifinals. The game featured a meeting of two Miss Basketball finalists, Topp and Hatton's Lisa Maus. Topp, Maus and Hope-Page standout Katie Richards were named Co-Miss Basketball winners following the state tournament. Hatton had defeated Midkota 74-53 during the regular season, but once again the Mustangs turned the tables. Topp scored 16 to lead Midkota to a 54-49 win.

The Mustangs were in the state championship game for the first time since 1991 and would meet Washburn. Like Midkota, Washburn was a strong program in the early 1990s winning a state championship in 1991 and finishing runner up in 1992. After a close first quarter, Washburn seized control in the second quarter by building an 11-point lead at halftime. Midkota chipped away at the Cardinals' lead and rallied to tie the game before the end of regulation. Midkota took its first lead of the game in overtime. The score was tied two different times in overtime before Fiechtner hit the final basket of the game with three seconds left to give Midkota a 54-52 win. Fiechtner led the Mustangs with 26 points, 18 of which came in the second half and overtime. Topp and Fiechtner were named to the All-Tournament Team. Midkota finished the season 24-5.

NORTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION BRIEF HISTORY

The activities association was founded in 1908 under the name of the High School League and originally was concerned only with athletics. In 1923, the state organization became affiliated with the National Federation of High School Athletic Associations. A full-time executive director was employed in 1949, an assistant was added in 1963, a girls' sports supervisor in 1973, and a music and speech coordinator in 1978.

In 1950 the Consolidated League, an organization of the smaller schools of the state, affiliated with the High School League, thereby uniting all high schools of the state under one organization. Music and speech activities were placed under the direction of the Association in 1955, and the name was changed to the North Dakota High School Activities Association at that time.

Schools in the League were all one class for basketball competition from 1908 to 1932. A two-class system was used from 1933 to 1947 and a three-class system from 1948 to 1963. In 1964 the two-class system was restored and this arrangement has been in effect since then up to the present time.

Official state champions have been named in track since 1908 and in basketball since 1914. Official champions in other sports were later added as follows: golf and tennis 1938; baseball 1950; wrestling 1959; cross country 1961; hockey 1967; girls' track, golf and tennis 1966; girls' gymnastics 1969; girls' basketball 1974; boys' & girls' swimming 1974. State football championships were determined off and on between 1916 and 1959, when the practice was discontinued, but again restored in 1975. Basketball tournaments for girls were conducted by the Consolidated League for a number of years and by the NDHSAA from 1952 to 1960, at which time they were discontinued because of the small number of schools fielding teams. Girls' basketball was reinstated as an Association-sponsored activity in 1973 on a district level, with separate state Class A and Class B champions being named since 1974. Class A girls' volleyball state champions were first named in 1984 and Class B girls' volleyball state champions were first named in 1989. Boys' state soccer champions were first named in 1995 and girls' state soccer champions in 1996. Girls' state hockey champions were first named in 2003. Girls' softball champions were first named in 2009 with separated A and B champions in 2012.

NDHSAA Tournament Sportsmanship

Good sportsmanship is conduct which imposes a type of self-control involving honest rivalry, courteous relations and graceful acceptance of results.

School spirit is a reflection of those attitudes and behavior. Spectator etiquette requires that we refrain from displaying any action to taunt opponent's fan section such as carrying flags around the court and stopping to taunt the opponent's fan section. This may lead to competition among observers which is mistakenly under the guise of good sportsmanship.

Spectators are asked to remain in their designated fan section. Approaching the opponent's fan section for the purpose of taunting and baiting will not be tolerated. Also, carrying of flags around the court will NOT be allowed! The use of profanity at ANY TIME will NOT be tolerated.

Good sportsmanship shall be defined as those qualities of behavior which are characterized by generosity and genuine concern for others. An awareness is expected concerning the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity.

The History of Basketball

Invention of the game

The game of basketball as it is known today was created by Dr. James Naismith in December 1891 in Springfield, Massachusetts, to condition young athletes during cold months.

It consisted of peach baskets and a soccer style ball. He published 13 rules for the new game. He divided his class of eighteen into two teams of nine players each and set about to teach them the basics of his new game. The objective of the game was to throw the basketball into the fruit baskets nailed to the lower railing of the gym balcony. Every time a point was scored, the game was halted so the janitor could bring out a ladder and retrieve the ball. After a while, the bottoms of the fruit baskets were removed. The first public basketball game was played in Springfield, Massachusetts, on March 11, 1892.

The first basketball game

On December 21, 1891, James Naismith published rules for a new game using five basic ideas and thirteen rules. That day, he asked his class to play a match in the Armory Street court: 9 versus 9, using a soccer ball and two peach baskets. Frank Mahan, one of his students, wasn't so happy. He just said: "Harrumph. Another new game". However, Naismith was the inventor of the new game. Someone proposed to call it "Naismith Game", but he suggested "We have a ball and a basket: why don't we call it basketball?" There were other differences between Naismith's first idea and the game played today. The peach baskets were closed, and balls had to be retrieved manually, until a small hole was put in the bottom of the peach basket to poke the ball out using a stick. Only in 1906 were metal hoops, nets and backboards introduced. Moreover, earlier the soccer ball was replaced by a Spalding ball, similar to the one used today.

Professional leagues, teams, and organizations

The first professional league was founded in 1898. Six teams took part in the National Basketball League, and the first champions were the Trenton Nationals, followed by the New York Wanderers, the Bristol Pile Drivers and the Camden Electrics. The league was abandoned in 1904. Then, many small championships were organized, but most of them were not as important as some teams who played for money against challengers.

The Original Celtics, for instance, are considered the "fathers of basketball" and were presented as "World's Basketball Champions"; the players had to sign a contract to play with them, and Jim Furey organized matches as a circus, moving daily from town to town. The Celtics became the strongest team, and their successes lasted from 1922 until 1928, when the team disbanded due to ownership problems. The Original Celtics are sometimes incorrectly thought of as forebears of the current Boston Celtics of the NBA; in reality, they share only a name, as today's Celtics were not founded until 1946, nearly two decades after the demise of the Original Celtics.

A Message To
High School Fans

SPORTSMANSHIP

These are high school athletes who are performing here tonight. They are friendly rivals as members of opposing teams. They are not enemies. This basically is the theme of interscholastic athletics . . . the idea of friendly competition.

Sportsmanship should be reflected by all spectators, too, no matter what their feelings of loyalty may be to one or the other of the teams in tonight's contest.

Jen Brossart

Jen Brossart is a native of Mohall, ND and is in her 13th year as head coach of Rugby Panthers girls basketball. The Lady Panthers have made it to the state tournament in 2016, 2018, and 2019, finishing state runner up in 2019, which is the highest finish in program history. Brossart played her high school career at Mohall High School and continued her athletic career at the University of Mary in both basketball and track and field. She was a three time All-American in the javelin and an All American for the Lady Marauder basketball team. She is a 1999 graduate of University of Mary in Bismarck, where she earned her bachelor's degree in athletic training and physical education. She went on to receive her master's degree from the University of Mary in physical therapy. Jen continues to have a passion for the game of basketball and enjoys passing the knowledge she has learned from her coaches she has played for down to her players. She has been a physical therapist for the Heart of America Medical Center in Rugby, ND for 18 years. Jen and her husband Dan live on the family farm north of Rugby. They have two sons, Jackson (13) and Sawyer (10). In their spare time they enjoy planting a huge garden for the farmers market in the fall, going to the lake, hunting and fishing.

Kelly Pierce is in his 22nd season as a high school basketball coach and in his 19th season as a head coach. He spent 4 years as the head boys basketball coach at Scranton, prior to taking the reins of the Scranton girls program to start the 2005-2006 season. In 2012, the Hettinger-Scranton Night Hawks were formed, and he has spent the past nine seasons leading the Lady Night Hawks. Kelly is a native of Scranton, graduating from Scranton High in 1991. He earned his undergraduate degree from the University of North Dakota in 1996. After teaching in Grand Forks, and being displaced due to the flood of 1997, Kelly moved to Elko, Nevada where he taught special education at Sage Elementary for a year. In 1998, he was offered a teaching and coaching position in his hometown of Scranton and has remained there ever since. He earned his master's degree in administration in 2006 from the University of Mary and is currently the elementary principal and athletic director at Scranton Public School. Kelly and his wife of 19 years, Danelle, live in Scranton with their two children, Bailee (16) and Maddox (14).
