Jamestown

Tracy Gustafson  
Jamestown Bluejays

My golf career started when I was in elementary school. I played High School Golf for Wadena-Deer Creek High School in Minnesota. After high school, I attended Central Lakes College in Brainerd, where I played golf for two years. I continued my golf career while attending Jamestown College to pursue my degree in Elementary Education. My golf career was put on pause to attend the University of North Dakota to pursue my Master's degree in Special Education.

I began coaching the Jamestown High School Girl's Golf team in the 2015-2016 school year.

Last season, our team broke many school records, won our first Region Tournament, and placed 2nd at the State Tournament.

This season, we've celebrated one of our juniors winning a tournament, all three of our juniors making it to state as individuals, two of juniors making the all-conference team and placing in the top 10 at Regions, and we've secured a spot at State by taking 6th place at our Region tournament.
