## Teen Drivers

Distracted driving kills teens, so the North Dakota Association of Counties has teamed up with the “Impact Teen Drivers – What Do You Consider Lethal” Campaign with an interactive, high energy program to help teens think about the deadly impact of distractions like texting, reaching for objects or selecting music while driving.

**To book this program, please contact:**

- No cost, easy-to-use
- For teachers, safety educators, law enforcement and students
- Encourages teens to take a lead in peer-to-peer messaging
- Hour-long assembly or classroom style
