Welcome To Fargo

Fargo Extends a cordial welcome to all gymnastics fans from around the state. Congratulations to the athletes and coaches who have won the right to compete in the North Dakota State Girls's Class A and B Gymnastics Meet.

This is the first time that a State Gymnastics Meet has been held in Fargo and the community is happy to be your host. We hope the fans, coaches and participants enjoy these two days in Fargo. Your presence will help make this a successful event.

I wish to thank the many people who have worked hard to make this meet possible, the support from the local business community and the Fargo Board of Education.

Meet Officials

Judges

Darlene Jacobs, Edgeley
Pegi Mason, Jamestown
Tammy Blowers, Minot
Sue Hitt, Minot
Lezlie Luer, Valley City
Susan Reed, Hillsboro

Scorers

Kathy Bjorklund - Concordia College, Moorhead, Minn.
Kerry Bjorklund - Concordia College, Moorhead, Minn.
Carolyn Olgaard - NDSU, Fargo
Carol Rasmussen - NDSU, Fargo
Kathy Steffens - St. Benedicts, St. Cloud

Organization of NDHSAA

The North Dakota High School Activities Association is a voluntary, non-profit organization of the high schools of the State of North Dakota. All 267 schools eligible for membership belong to the Association. Membership is granted upon application of the School Board, at which time the school agrees to enforce the rules which the members have established and to participate in the legislative processes of modification and revision of rules to fit changing needs of the member schools and students.

Board of Directors:

The Board of Directors consists of 10 members, three of which are superintendents of member Class "A" schools, three superintendents of Class "B" schools, and one superintendent and one high school principal as member-at-large. These representatives are elected by the membership as a whole, with each school having one vote. In addition, the executive-director of the North Dakota School Boards Association and the Superintendent of Public Instruction serve as members of the Board.

Representative Assembly

The superintendent or high school principal of each school serves as a member of the representative assembly, with each school being entitled to one vote. An annual meeting is held each year to adopt rules and regulations governing interschool contests and eligibility regulations. All such rules are made by the Representative Assembly.

District Committees

The district activities are controlled and managed by committees elected by school officials in each area.

Executive Officers

The administration of the various programs and the implementation of the policies of the Association are placed in the hands of an executive director and three assistants who are employed by the Association.

Uneven Bars

This is a very fast-moving event, with the best exercises being predominantly those of swinging movements between and around the two bars [The bars are 59" and 90" off the floor]. The gymnasts are to be judged on their fluidity, as well as their ability to perform the difficult and dangerous moves [such as flips and twists]. The gymnast loses points for stops, extra swings before a move, falls from the bar, alternate hand grips, or letting the feet touch the floor.

Stacey Simle, Fargo South
1977 Class A Champion

With its music, freer and larger movements, fast tumbling passes and opportunity for much more creative expression, the floor exercise is often the favorite event among gymnasts. The superior routines are really dances that are performed with the ease and grace of ballet, but including very difficult tumbling such as the back-twisting full summersaults.

Vaulting

The gymnast must propel herself over a 43" high padded horse. A standard vault is a front handspring, but complex acrobatics like a half turn into a back somersault, have been performed with success in high school competition. A gymnast is scored on the best of her two vaults each one taking one and a half seconds to complete. A good vaulter will have a straight back, smooth flight, good height before and after horse contact, and a controlled landing in her vault.

1003	Debbie Beyer, Hillsboro	10
651	Wendy Pietron, Larimore	12

This is probably the most challenging event in girls' gymnastics since the gymnast must literally tumble and dance on a 4 inch wide by a 16 foot long beam, which is 4 feet off the ground. A gymnast will lose .5 points for falling off the beam or losing her balance so severely that she must grasp the beam. Her performance must be steady and graceful, and must include difficult acrobatics: All the while she must smile and play to the audience.
