## HISTORY OF GYMNASTICS IN NORTH DAKOTA

The first gymnastics championships sponsored by the North Dakota High School Activities Association took place in 1969. Jamestown High School came away with the first championship title.

Competition has changed since the first championships. At the first meet, competition took place in tumbling, trampoline, balance beam, uneven bars, side-horse, floor exercise and all-around. Each event was divided into three levels: novice, intermediate and junior.

The following year, and every year since, the state championships have included only five events. The tumbling and trampoline events were eliminated and the side-horse became the vault. In 2003, the apparatus used in the vault event changed from a vaulting horse to the vault table.

The 1974 state meet saw the last novice, intermediate and junior divisions. Currently, North Dakota has two championships prior to the state meet. The EDC in the east and the WDA meet in the west. Although the qualifying mechanism has changed over the years, the state meet continues to have the top 40 qualifiers on each event in the state and the top 30 all-around qualifiers in the state vying for the event championships. What hasn't changed is the dedication and hard work of the coaches and the competitors.
