## 1973 Champions Grand Forks Central

After Grand Forks Central skated to a 4-6 start during 1972-73 NDHSAA boys hockey season, some wondered if the school's boys hockey dynasty had met the end of its' road. Central had won the previous 12 boys hockey state championships – six unofficial titles from 1961-66 and six NDHSAA-sponsored titles from 1967-72. The storied program, however, was not ready to relinquish its dominating ways just yet.

After the sub-.500 start, Central recovered to finish the regular season 12-8 and shared the Dakota Hockey Conference championship with Fargo North, the only North Dakota team to beat Central during the 1972-73 season.

At the state tournament, Central opened with a 3-0 win against Fargo South and followed with a 6-3 win over Grand Forks Red River in the semifinals.

Waiting on Central in the championship game was State Tournament No. 8 seed Grafton whose Cinderella run was an impressive storyline that garnered much attention.

The Saturday night matchup between Central and Grafton drew a big crowd of 5,200 fans

who packed the Grand Forks Winter Sports Area. The two squads skated to a 1-1 draw in the first period. Grafton's Don Swartz scored the game's first goal, but the Spoilers' lead was short-lived as Central's Dave Como scored the game-tying goal 30 seconds after the Grafton goal.

The game remained deadlocked after regulation and once again following an

overtime period forcing a second overtime period.

Central's Wayne Lundby scored the game-winning goal 1 minute, 27 seconds into the second sudden-death overtime period giving Central its 13th consecutive boys hockey state championship.

Central finished the 1972-73 season 15-8.

## 1998 Champions Grand Forks Red River

With a strong group of returning players from Grand Forks Red River's previous two state championships in 1996 and 1997, the Roughriders had high expectations during the 1997-98 season.

The possibility of a three-peat was very much in play at becoming a reality thanks in large part to the team's top line made up of Grant Potulny, Mike Johnson and Dave Ottinger.

In summary, the 1997-98 Red River squad was built to win.

The Roughriders dominated during the 1998 postseason run outscoring its opponents 51-5 during their six playoff victories.

Following a 5-0 win over Fargo North in the East Region Boys Hockey Tournament, the Roughriders entered the state tournament with plenty of steam.

Red River opened State with a 9-0 win over Bismarck Century in the quarterfinals and followed up with a 6-1 win over Grafton/Park River in the semifinals.

The Roughriders would meet Fargo North in the state championship game. Earlier in the season, Red River head coach Gary Purpur announced that the 1997-98 season would be his last on the bench for the Roughriders. The storylines started to pile up for Red River. Would the team three-peat? Would the Roughriders send off their head coach with another state title to cement another

*Front Row (Left to Right): Cheerleaders Misty Badger, Laura Miskavige, Heidi Torkelson, Katie Bethke; Second Row (Left to Right): Assistant Coach Malm, Eric Tofte, David Ottinger, Captain Mike Johnson, Jaime Wong, Chris Decker, Captain Shane McMenemy, Kent Briggs, Craig Walter, Coach Gary Purpur; Third Row (Left to Right): Assistant Coach Ryan Skarperud, Assistant Coach Steve Olson, Nathan Albaugh, Andy Schneider, Ben Moen, Grant Potulny, Richie Erickson, Jared Ottinger, Ryan Ronkowski, Brian Nord, Mike Bry, Assistant Coach Shawn McMillan, Assistant Coach Matt Strinden; Back Row (Left to Right): Trainer Sara Kloster, Scott Endres, Chris Ronkowski, Dave Rydell, Tom Bakke, Aaron Soper, Manager Brandon Sorenson, Trainer Jul Garlington, Manager Nick Dumas, Manager Steve Lawrence.*

Red River boys hockey dynasty?

Red River's 4-1 win against the Spartans before 4,273 fans at Engelstad Arena answered all those questions.

The Potulny-Johnson-Ottinger line was in peak form. The trio combined to accumulate 26 points during the three games at State. Johnson earned Tournament-MVP honors with five

goals and five assists, with two of the goals coming in the state title game. Potulny finished with six goals and four assists. Ottinger finished the tournament with six points.

Red River goalie Chris Decker stopped 12 of 13 shots he faced in the final. The Roughriders finished the season 18-0-1 against North Dakota opponents.

## I. Membership

The NDHSAA is a non-profit organization of the high schools in the state of North Dakota. All schools eligible for membership belong to the Association. Membership is granted upon application of the School Board, at which time the school agrees to enforce the rules which the members have established and to participate in the legislative process of modification and revision of rules to fit the changing needs of member schools and students.

## II. Purpose as per NDHSAA Constitution

The purpose of the Association is to contribute to the education of high school boys and girls of North Dakota by:

Administering a program of interscholastic activities, clinics, contests and festivals among its member schools.

Elevating the standards of good sportsmanship and encouraging growth in good citizenship, not only of high school students, but also of all others who come in contact with school activities.

Protecting member schools, students, and personnel from exploitation of special interest groups.

Encouraging pride in scholastic achievement as a fundamental basis for a well-balanced activities program.

Supplementing the dramatic, literary, music and physical education programs of the schools and giving due emphasis to those tendencies which promise best to promote the mental and physical health and social well-being of all students.

## III. Brief History

The activities association was founded in 1908 under the name of the High School League and originally was concerned only with athletics. In 1923 the state organization became affiliated with the National Federation of High School Athletic Associations (NFHS). A full-time executive director was employed in 1949, an assistant was added in 1963, a girls sports supervisor in 1973, and a music and speech coordinator in 1978.

In 1950 the Consolidated League, an organization of the smaller schools of the state, affiliated with the High Schools League, thereby uniting all high schools of the state under one organization. Music and speech activities were placed under the direction of the Association in 1955, and the name was changed to the North Dakota High School Activities Association at that time. Schools in the League were all one class for basketball competition from 1908 to 1932. A two-class system was used from 1933 to 1947 and a three-class system from 1948 to 1963. In 1964 the two-class system was restored and this arrangement has been in effect since then up to the present time. Official state champions have been named in boys track since 1908 and in boys basketball since 1914. Official champions in other sports were later added as follows: boys golf and boys tennis 1938, baseball 1950; wrestling 1959; boys cross country 1961; boys hockey 1967; girls track, golf and tennis 1966; girls gymnastics 1969; girls basketball 1974; girls swimming 1974; boys swimming 1975 and girls cross country 1979. State football champions were determined off and on between 1916 and 1959, when the practice was discontinued, but were restored in 1975 when NDHSAA officially sponsored Class A, Class B and 9-man championship games. The NDHSAA Dakota Bowl - a one day event where all three football championship games are played - was introduced in 1993. In 1997, the current four division format (Division AAA, Division AA, Division A and 9-man) for NDHSAA football was introduced.

Basketball tournaments for girls were conducted by the Consolidated League for a number of years and by the NDHSAA from 1951 to 1960, at which time they were discontinued because of the small number of schools fielding teams. Girls basketball was reinstated as an NDHSAA-sponsored activity in 1973 on a district level, with separate state Class A and Class B champions being named since 1974. Class A girls volleyball state champions were first named in 1984 and Class B girls volleyball state champions were first named in 1989. Boys state soccer champions were first named in 1995 and girls state soccer champions in 1996. Girls state hockey champions were first named in 2003. Girls softball champions were first named in 2009 with separated Division A & B champions in 2012.

## V. Registration of Officials and Interpretation Meeting

In the 2018-19 school year 1,466 officials registered with the NDHSAA. These men and women are furnished rule books for the sports in which they officiate, and examinations are provided annually in baseball, basketball, football, gymnastics, hockey, soccer, softball, swimming & diving, volleyball and wrestling. Officials are also required to complete online rules clinics in all sports and workshops in baseball, basketball, football, softball, volleyball and wrestling.

## VI. School Administrator Meetings

The NDHSAA holds mandatory administrator meetings throughout North Dakota in September. The meetings cover various topics member schools should be aware of entering the school year.

## VII. Cheerleader Clinics

The NDHSAA has recognized the importance of safety in cheerleading. Because of this, the Association has added rules/safety clinics for head cheer coaches of all member schools who have cheerleaders. These clinics recognize the importance of informing cheer coaches of proper safety techniques as well as emphasizing the responsibility of cheerleaders for sportsmanship and crowd control.

## VIII. Organization of Association

### NDHSAA BOARD OF DIRECTORS

The Board of Directors consists of 11 members. Three Board members shall be chosen from Class A Schools, one each from two geographical areas and one at-large. Four administrators of Class B schools, one high school principal as a member-at-large and one athletic administrator. These representatives are elected by the membership as a whole, with each school having one vote. In addition, a representative of the North Dakota School Boards Association and the Superintendent of Public Instruction serve as a member of the Board.
