Welcome from the Tournament Manager

Welcome to Grand Forks and the eleventh annual North Dakota Boys' and Girls' Combined State High School Hockey Tournament. We look forward to providing an exciting and memorable experience for all the athletes, coaches and fans.

We would like to take this opportunity to thank the staff and administration at Ralph Engelstad Arena and the Greater Grand Forks Convention and Visitors Bureau for their cooperation and assistance with the tournament. We also express gratitude to our tournament staff and volunteers whose efforts are focused on making this tournament a great success. Without the support of these individuals and the community of Grand Forks, this tournament would not be possible.

Enjoy your time in Grand Forks and support the teams as they demonstrate the effort, skill, character and sportsmanship that make them all champions.

Good luck to all of the teams.

1968 Champions Grand Forks Central

The 1968 North Dakota High School Activities Association Boys Hockey State Tournament was played February 15-17 in Grand Forks.

Grand Forks Central, Grand Forks Red River, Fargo South, Fargo North, Bottineau, Grafton, Grand Forks St. James, and Devils Lake made up the tournament field. Central, Red River, Fargo South and Grand Forks St. James skated to quarterfinal victories.

Central, winner of the previous seven state tournaments, continued its dominance in North Dakota prep hockey in 1968. After going undefeated in 1967, Central returned a strong group that entered the 1968 State Tournament having only lost two games in the regular season.

Team captain Bill Gambucci said the 1968 squad was focused on playing "team" hockey and maintaining Central's hockey tradition. After defeating Bottineau 18-1 in the quarterfinals, Central skated to a 4-1 win over Fargo South to setup a meeting with cross-town rival Red River in the title game.

Central won the two regular season meetings with Red River and grabbed the hat trick (third win) in the championship game defeating the Roughriders 5-0.

The victory made it eight consecutive state championships for Central. Central's hockey dynasty would close out the 1960s and go well into the 1970s.

Back Row: Coach Sergio Gambucci, Mike Pariseau, Bill Gambucci, Jim Gambucci, Scott Leigh, Dave Ludtke, Dave Murphy, Dennis Johnson, Rick Fee, Marc Messmer, Ron Buzaharra, Geoff Docken; Front Row: Paul Bjork, Mike Bertsch, Don Peterson, Willy Knaus, Doug Robinson, John Bossoletti, Dick Purpur, Jim Anderson and Dave Lander.

1993 Champions Grand Forks Central

The 1993 North Dakota High School Activities Association Boys Hockey State Tournament was played February 25-27 in Grand Forks.

Grafton/Park River, Bottineau, Grand Forks Red River, Grand Forks Central, Jamestown, Bismarck, Fargo South and Minot made up the tournament field.

Eventual state champion Grand Forks Central opened the tournament with a 12-2 victory over Bismarck High in the quarterfinals and followed with a 5-0 win over Fargo South in the semifinals.

Central would meet Grafton/Park River in the state championship game looking for its first state title since 1984. The nine-year span between championships included three losses in state title games (1987, 1990 and 1991).

The 1993 season was the year Central broke through as it defeated Grafton/Park River 6-2 in the championship game giving the program its 21st state crown.

Central junior center Jay Panzer scored two goals and an assist in the championship game. Central skated to a 3-0 lead after the first period, but the Spoilers cut the lead to 3-2 with two goals in the second period. Central answered scoring on a 4-on-3 power play when Panzer found Jerrod Burris who rocketed a 35-foot slap shot that found the mark at the 12:58 mark of the second period. Panzer scored his second goal of the game to stake Central to a 5-2 lead 25 seconds into the third period.

Panzer finished the tournament with four goals and five assists earning him Most Valuable Player honors. Central finished the year 19-4-1.

Back Row: Andy Gasparini, Peter Spicer, Tom Spicer, Andrew Schaefer, Jason Smith, Nick Fohr, Lane Young; Third Row: Rick Palmisceno, Greg LaDouceur, Darrin Schumacher, Tyler Gibbs, Jamie Burris, Mike Spicer, Bryan Juntunen, Eric Ness, Walter Knipe, Chuck Ness; Second Row: Tom Alderson, Eric Bye, Jerrod Burris, David Vigen, James Richmond, Keith Richotte, Jay Panzer, Troy VonRuden, Tom Sjule; Front Row: Paige Dobrovlny, Amber Richardson, Heidi Erickson, Sarah Bouvette and Lynn Tuft.

Peluso played with the Omaha Lancers of the USHL from 1992-1994 and was selected to the USHL All-Star Game in 1993 and 1994. In 1998 Mike was signed as a free agent by the Washington Capitals. His NHL career included stops in St. Louis, Chicago, and Philadelphia. In Mike's first two years as head coach of the Demons, he had a 24-2-0 record (2008-09) and a 19-7-1 record (2009-10). Teen Drivers

Here's an effective way
for you and your
community to prevent
the **#1 killer**
of teens.

Distracted driving kills teens, so the North Dakota Association of Counties has teamed up with the "Impact Teen Drivers – What Do You Consider Lethal" Campaign with an interactive, high energy program to help teens think about the deadly impact of distractions like texting, reaching for objects or selecting music while driving.

- No cost, easy-to-use
- For teachers, safety educators, law enforcement and students
- Encourages teens to take a lead in peer-to-peer messaging
- Hour-long assembly or classroom style

Coach

Kris is a 1995 graduate of Fargo North where he played two years of varsity hockey. After graduation, he worked seven years as an assistant coach for the North boys' hockey team, while pursuing and receiving a Bachelor of Science degree in social studies at Minnesota State University Moorhead. In 2005, he married his wife Jaime and moved to St. Cloud, Minn., where he worked as an assistant boys' hockey coach at St. Cloud Apollo High School for two years. He then became the head boys' coach at Apollo from 2007 to 2009. In 2009, he was offered a teaching and coaching position at Fargo North and he was excited to teach and coach at his alma mater. Kris has a 9-year-old son, Kellen and a 6-year-old daughter Zelia, so the idea of being closer to family was also very appealing. He is in his ninth season coaching girl's hockey in North Dakota. He enjoyed his first five seasons as head coach of Fargo North girls' hockey. He's now in his fourth year as head coach of the North/South girls' hockey team.

I. Membership

The NDSHAA is a voluntary non-profit organization of the high schools in the state of North Dakota. All schools eligible for membership belong to the Association. Membership is granted upon application of the School Board, at which time the school agrees to enforce the rules which the members have established and to participate in the legislative process of modification and revision of rules to fit the changing needs of member schools and students.

II. Purpose as per NDHSAA Constitution

The purpose of the Association is to contribute to the education of high school boys and girls of North Dakota by:

- Administering a program of interscholastic activities, clinics, contests and festivals among its member schools.
- Elevating the standards of good sportsmanship and encouraging growth in good citizenship, not only of high school students, but also of all others who come in contact with school activities.
- Protecting member schools, students, and personnel from exploitation of special interest groups.
- Encouraging pride in scholastic achievement as a fundamental basis for a well-balanced activities program.
- Supplementing the dramatic, literary, music and physical education programs of the schools and giving due emphasis to those tendencies which promise best to promote the mental and physical health and social well-being of all students.

III. Brief History

The activities association was founded in 1908 under the name of the High School League and originally was concerned only with athletics. In 1923 the state organization became affiliated with the National Federation of High School Athletic Associations (NFHS). A full-time executive director was employed in 1949, an assistant was added in 1963, a girls sports supervisor in 1973, and a music and speech coordinator in 1978.

In 1950 the Consolidated League, an organization of the smaller schools of the state, affiliated with the High Schools League, thereby uniting all high schools of the state under one organization. Music and speech activities were placed under the direction of the Association in 1955, and the name was changed to the North Dakota High School Activities Association at that time. Schools in the League were all one class for basketball competition from 1908 to 1932. A two-class system was used from 1933 to 1947 and a three-class system from 1948 to 1963. In 1964 the two-class system was restored and this arrangement has been in effect since then up to the present time. Official state champions have been named in boys track since 1908 and in boys basketball since 1914. Official champions in other sports were later added as follows: boys golf and boys tennis 1938, baseball 1950; wrestling 1959; boys cross country 1961; boys hockey 1967; girls track, golf and tennis 1966; girls gymnastics 1969; girls basketball 1974; girls swimming 1974; boys swimming 1975 and girls cross country 1979. State football champions were determined off and on between 1916 and 1959, when the practice was discontinued, but were restored in 1975 when NDHSAA officially sponsored Class A, Class B and 9-man championship games. The NDHSAA Dakota Bowl - a one day event where all three football championship games are played - was introduced in 1993. In 1997, the current four division format (Division AAA, Division AA, Division A and 9-man) for NDHSAA football was introduced. Basketball tournaments for girls were conducted by the Consolidated League for a number of years and by the NDHSAA from 1951 to 1960, at which time they were discontinued because of the small number of schools fielding teams. Girls basketball was reinstated as an NDHSAA-sponsored activity in 1973 on a district level, with separate state Class A and Class B champions being named since 1974. Class A girls volleyball state champions were first named in 1984 and Class B girls volleyball state champions were first named in 1989. Boys state soccer champions were first named in 1995 and girls state soccer champions in 1996. Girls state hockey champions were first named in 2003. Girls softball champions were first named in 2009 with separated Division A & B champions in 2012.

V. Registration of Officials and Interpretation Meetings

In 2016-17 school year 1,471 officials registered with the NDHSAA. These men and women are furnished rule books for the sports in which they officiate, and examinations are provided annually in baseball, basketball, football, gymnastics, hockey, soccer, softball, swimming & diving, volleyball and wrestling. Officials are also required to complete online rules clinics in all sports and workshops in baseball, basketball, football, softball, volleyball and wrestling.

VI. Cheerleader Clinics

The NDHSAA has recognized the importance of safety in cheerleading. Because of this, the Association has added rules/safety clinics for head cheer coaches of all member schools who have cheerleaders. These clinics recognize the importance of informing cheer coaches of proper safety techniques as well as emphasizing the responsibility of cheerleaders for sportsmanship and crowd control.

VII. Organization of Association

NDHSAA BOARD OF DIRECTORS

The Board of Directors consists of 11 members. Three Board members shall be chosen from Class A Schools, one each from two geographical areas and one at-large. Four administrators of Class B schools, one high school principal as a member-at-large and one athletic administrator. These representatives are elected by the membership as a whole, with each school having one vote. In addition, a representative of the North Dakota School Boards Association and the Superintendent of Public Instruction serve as a member of the Board.

REPRESENTATIVE ASSEMBLY

The superintendent or high school principal or athletic administrator of each school serves as a member of the representative assembly, with each school being entitled to one vote. An annual meeting is held each year to adopt rules and regulations governing interscholastic contests and eligibility regulations. All such rules are made by the representative assembly.

DISTRICT COMMITTEES

The district activities are controlled and managed by committees elected by school officials in each area.

EXECUTIVE OFFICERS

The administration of the various programs and the implementation of the policies of the Association are placed in the hands of the Executive Director, one Associate and three Executive Assistants who are employed by the Association.
