Welcome from the Tournament Manager

Welcome to Grand Forks and the fourteenth annual North Dakota Boys' and Girls' Combined State High School Hockey Tournament. We look forward to providing an exciting and memorable experience for all the athletes, coaches and fans.

We would like to take this opportunity to thank the staff and administration at Ralph Engelstad Arena and the Greater Grand Forks Convention and Visitors Bureau for their cooperation and assistance with the tournament. We also express gratitude to our tournament staff and volunteers whose efforts are focused on making this tournament a great success. Without the support of these individuals and the community of Grand Forks, this tournament would not be possible.

Enjoy your time in Grand Forks and support the teams as they demonstrate the effort, skill, character and sportsmanship that make them all champions.

Good luck to all of the teams.

1971 Champions Grand Forks Central

The 1971 North Dakota High School Activities Association Boys' Hockey State Tournament was played on February 18-20 at the Fargo Coliseum, the first time the state hockey tournament was held outside of Grand Forks. The tournament field was made up of Grand Forks Central, Fargo South, Grafton, Fargo North, Devils Lake, Red River, Park River, and Bottineau.

Central extended its state championship streak to 11 by winning the title game 2-0 against Fargo South. The championship game win gave Central a final record of 21-1-1 on the year while Fargo South finished the year at 15-8.

In a game marked by physical defense and strong goaltending by Rob Oster (FS) and Dave Fontaine (GFC), power play goals by Central's Dave Lamb and Terry Paukert in the third period made

Front Row: Dean Evanstad, Rick Bohlman, Doug Grinde, Gary Purpur, Brad Smith, Dave Fontaine, Greg McDonald, Tony Palmiscno, Gerald Omlid, Ken Polovitz; Back Row: Asst. Coach Geoffrey Docken, Greg Lingren, Bob Illstrom, Pat Endres, Tim Lilleboe, Terry Paukert, Dave Lamb, Scott Lindgren, Bob Wedin, Lyle Hangsleben, Coach Roy Nystrom

the difference. Fargo South's focus on containing Redskins captain Gary Purpur proved effective as Central was held to 23 shots in the game.

In other tournament action, Grafton defeated Fargo North to earn third place

while Devils Lake bested Red River in the consolation bracket. Central's trip to the title included a 12-1 win over Park River in the first round and a 3-1 win over Fargo North in the semifinals.

1996 Champions Grand Forks Central

The 1996 North Dakota High School Activities Association Boys' Hockey State Tournament was played on February 23-24 in Grand Forks. The eight teams that qualified for the tournament were Red River, Grafton-Park River, Fargo North, Jamestown, Grand Forks Central, Minot, Bismarck, and Bismarck Century.

Appearing in the championship game for the third consecutive year, the Grafton-Park River Spoilers struggled to mount any offense against a suffocating Roughrider defense that secured Red River's first state title since 1990. Tournament MVP, Tim Skarperud, followed his three goal and one assist semifinal performance by netting the opening goal in the championship contest. Red River skated to a 4-0 lead before the Spoilers added two goals of their own late in the third period. Red River finished the season with a 20-6 record.

Back Row: Matt Bydal, David Ottinger, Josh Lunski, GT Whalen, Brian Jackson, Shane McMenamy, Brian Horner, Kent Briggs; Middle Row: Coach Matt Malm, Coach Steve Olson, Nathan Schwan, Grant Potulny, Rob Bathke, Tanner Johnson, Tony Lee, Ryan Blair, Jason Green, Brad Myerchin, Coach Gary Purpur, Coach Shawn McMillan; Front Row: Manager Craig Goetz, Matt Wilson, Mike Johnson, Mark Bry, Paul Murphy, Tim Skarperud, Craig Ludowese, David Nord, Chris Decker; Seated: Cheerleaders Julie Porter, Tera Lundebly, Erica Nord and Stacey Skarperud

Both teams arrived to the championship following highly contested semifinal games on Friday night. The Spoilers beat Jamestown 2-1, and the Roughriders needed two overtimes to overcome Fargo North 4-3. North went on to beat

Jamestown in the third place game while Grand Forks Central was the consolation winner with a 3-2 overtime victory over Minot. Red River's opening round win came against Bismarck by a 7-1 final score.

I. Membership

The NDHSAA is a non-profit organization of the high schools in the state of North Dakota. All schools eligible for membership belong to the Association. Membership is granted upon application of the School Board, at which time the school agrees to enforce the rules which the members have established and to participate in the legislative process of modification and revision of rules to fit the changing needs of member schools and students.

II. Purpose as per NDHSAA Constitution

The purpose of the Association is to contribute to the education of high school boys and girls of North Dakota by:

Administering a program of interscholastic activities, clinics, contests and festivals among its member schools.

Elevating the standards of good sportsmanship and encouraging growth in good citizenship, not only of high school students, but also of all others who come in contact with school activities.

Protecting member schools, students, and personnel from exploitation of special interest groups.

Encouraging pride in scholastic achievement as a fundamental basis for a well-balanced activities program.

Supplementing the dramatic, literary, music and physical education programs of the schools and giving due emphasis to those tendencies which promise best to promote the mental and physical health and social well-being of all students.

III. Brief History

The activities association was founded in 1908 under the name of the High School League and originally was concerned only with athletics. In 1923 the state organization became affiliated with the National Federation of High School Athletic Associations (NFHS). A full-time executive director was employed in 1949, an assistant was added in 1963, a girls sports supervisor in 1973, and a music and speech coordinator in 1978.

In 1950 the Consolidated League, an organization of the smaller schools of the state, affiliated with the High Schools League, thereby uniting all high schools of the state under one organization. Music and speech activities were placed under the direction of the Association in 1955, and the name was changed to the North Dakota High School Activities Association at that time. Schools in the League were all one class for basketball competition from 1908 to 1932. A two-class system was used from 1933 to 1947 and a three-class system from 1948 to 1963. In 1964 the two-class system was restored and this arrangement has been in effect since then up to the present time. Official state champions have been named in boys track since 1908 and in boys basketball since 1914. Official champions in other sports were later added as follows: boys golf and boys tennis 1938, baseball 1950; wrestling 1959; boys cross country 1961; boys hockey 1967; girls track, golf and tennis 1966; girls gymnastics 1969; girls basketball 1974; girls swimming 1974; boys swimming 1975 and girls cross country 1979. State football champions were determined off and on between 1916 and 1959, when the practice was discontinued, but were restored in 1975 when NDHSAA officially sponsored Class A, Class B and 9-man championship games. The NDHSAA Dakota Bowl - a one day event where all three football championship games are played - was introduced in 1993. In 1997, the current four division format (Division AAA, Division AA, Division A and 9-man) for NDHSAA football was introduced.

Basketball tournaments for girls were conducted by the Consolidated League for a number of years and by the NDHSAA from 1951 to 1960, at which time they were discontinued because of the small number of schools fielding teams. Girls basketball was reinstated as an NDHSAA-sponsored activity in 1973 on a district level, with separate state Class A and Class B champions being named since 1974. Class A girls volleyball state champions were first named in 1984 and Class B girls volleyball state champions were first named in 1989. Boys state soccer champions were first named in 1995 and girls state soccer champions in 1996. Girls state hockey champions were first named in 2003. Girls softball champions were first named in 2009 with separated Division A & B champions in 2012.

V. Registration of Officials and Interpretation Meeting

In the 2018-19 school year 1,466 officials registered with the NDHSAA. These men and women are furnished rule books for the sports in which they officiate, and examinations are provided annually in baseball, basketball, football, gymnastics, hockey, soccer, softball, swimming & diving, volleyball and wrestling. Officials are also required to complete online rules clinics in all sports and workshops in baseball, basketball, football, softball, volleyball and wrestling.

VI. School Administrator Meetings

The NDHSAA holds mandatory administrator meetings throughout North Dakota in September. The meetings cover various topics member schools should be aware of entering the school year.

VII. Cheerleader Clinics

The NDHSAA has recognized the importance of safety in cheerleading. Because of this, the Association has added rules/safety clinics for head cheer coaches of all member schools who have cheerleaders. These clinics recognize the importance of informing cheer coaches of proper safety techniques as well as emphasizing the responsibility of cheerleaders for sportsmanship and crowd control.

VIII. Organization of Association

NDHSAA BOARD OF DIRECTORS

The Board of Directors consists of 11 members. Three Board members shall be chosen from Class A Schools, one each from two geographical areas and one at-large. Four administrators of Class B schools, one high school principal as a member-at-large and one athletic administrator. These representatives are elected by the membership as a whole, with each school having one vote. In addition, a representative of the North Dakota School Boards Association and the Superintendent of Public Instruction serve as a member of the Board.

REPRESENTATIVE ASSEMBLY

The superintendent or high school principal or athletic administrator of each school serves as a member of the representative assembly, with each school being entitled to one vote. An annual meeting is held each year to adopt rules and regulations governing interscholastic contests and eligibility regulations. All such rules are made by the representative assembly.

DISTRICT COMMITTEES

The district activities are controlled and managed by committees elected by school officials in each area.

EXECUTIVE OFFICERS

The administration of the various programs and the implementation of the policies of the Association are placed in the hands of the Executive Director, one Associate Director, three Assistant Directors and a Media Specialist who are employed by the Association.
