### 2000 NDHSAA Boys Soccer State Champions

#### Fargo South Bruins

With a talented squad returning in 2000, the two-time defending NDHSAA state champions Fargo South Bruins boys soccer team had high expectations of becoming the first team in state history to three-peat.

With only one defeat at the hands of Fergus Falls (Minn.) during the regular season, the Bruins entered the 2000 NDHSAA State Tournament with plenty of momentum.

Joining South in Jamestown at the state tournament were Fargo Shanley, Grand Forks Red River, West Fargo High, Bismarck High, Bismarck Century, Bismarck St. Mary's, and Minot High.

South opened pool play with a 0-0 tie with Bismarck St. Mary's and followed up with a 4-1 victory over Bismarck Century. Sophomore Brandon Root scored all four of South's goals in the win over the Patriots, which put the Bruins in a great spot to return to the championship match the next day.

In the final day of play, South cruised to a 7-1 win over Fargo Shanley setting up a meeting with West Fargo High in the state championship match. It was the Packers' first appearance in a state championship match in program history. West Fargo High defeated West Region, No. 1-seed Bismarck High 1-0 in first day of pool play and followed up with a 1-1 tie with Minot High. A 2-0 win over East Region, No. 2 seed Grand Forks Red River on Saturday earned the Packers a shot at the Bruins.

Fargo South's stingy defense stopped West Fargo High's momentum in the final as the Bruins clinched their third-consecutive state championship with a 2-0 win over the Packers.

Scoring goals for the Bruins in the championship match were Tom Henderson and Root. Both squads had solid keeper play with West Fargo High's Chris McDougall posting 15 saves in the championship match and 73 total saves in the four matches at the state tournament. South senior keeper Rick Stenberg stopped all four shots West Fargo High put on goal during the championship match.
