Your needs. Our tools.®

The Metro Area Tournament Committee and the Communities of Fargo and West Fargo would like to extend a warm welcome to the Fargo South soccer complex for the State Girls' Soccer Tournament. We look forward to providing an exciting and memorable experience for all players, coaches, cheerleaders, and fans. The Committee is grateful to the Fargo South staff and administration for their cooperation in assisting with hosting of this event. Without the full support of the metro area and our corporate sponsors much of this tournament would not be possible, thank you again.

As an extension of the North Dakota High School Activities Association's effort to promote sportsmanship and goodwill among schools and athletes, we hope you will join us in providing encouragement and support to all who are here. Best Wishes to all the teams!

### Metro Area Tournament Committee

The Fargo area has been the host of numerous high school tournaments with the majority of the management and hosting responsibilities provided by the Fargo Public Schools and their athletic departments. In an effort to develop a stronger and more efficient tournament committee, the athletic directors of the Fargo Schools initiated a proposal to have other area schools involved in the tournaments. The results was the formation of the Metro Area Tournament Committee, which consists of a steering committee, finance committee, bidding committee, promotions committee, events management and hospitality. Each member of the steering committee is given various assignments which results in the development of a work force and job descriptions for the individual needs at tournaments. Many of the individuals that are working at these tournaments are donating their time and talents in an effort to provide the very best event. The combined efforts of this committee has resulted in the Metro Area having the ability to compete with other cities for the hosting of future tournaments. We are thankful to all who have given support. Through these efforts we will be able to provide the fans, players, and the schools with a memorable experience.

This year the committee will be assisting in hosting the championship football games, the East Region and State A Girls' Basketball Tournament, State Cross County, State Girls' Tennis, the regional wrestling meet and volleyball, the Boys' East Region Basketball Tournament, East Region Track Meet, regional girls' tennis and state girls' soccer.
