		Century vs. Fargo South
		GF Central vs. St. Mary s
		GF Red River vs. West Fargo
		Bismarck vs. Jamestown
		Third Place
		Championship

** Pool Scoring is as follows:

- 2 points for a win
- 0 points for a loss
- If tied, teams will play two 10-minute golden goal overtimes
- If still tied, a shootout will be used to determine the winning team
- Negative 1 point for each red card

** Ties following pool play will be resolved as follows:

- Head to head
 - Fewest goals allowed
 - Goal differential (max. 3)
 - Shootout if two teams
 - If multiple teams are tied, use seed numbers
- Note: If there is a multiple team tie and the highest team or lowest team is determined through any one of the steps, repeat the process from step one and repeat until all ties are broken.

** If the score is tied at the end of regulation play in the 3rd place or championship games, there shall be a maximum of two, ten-minute, **golden goal** overtime periods. If tied a shootout will be used to determi

Welcome to the 2004 Girls State Soccer Championships

Welcome to Optimist Soccer Complex and the Magic City for another girls soccer state tournament. We are pleased to once again be chosen by the North Dakota High School Activities Association to be the site for this great and exciting event.

In the past, we have been treated to some historic soccer games at this tournament. As the sport has grown, so has the quality of players and coaches. As a spectator, you will have the opportunity to see some of the finest players and coaches that have been developed in this state and you will be sure to enjoy some outstanding contests during your stay in our warm city.

Please show your support for your team with enthusiasm and great sportsmanship. We want everyone to enjoy this experience.

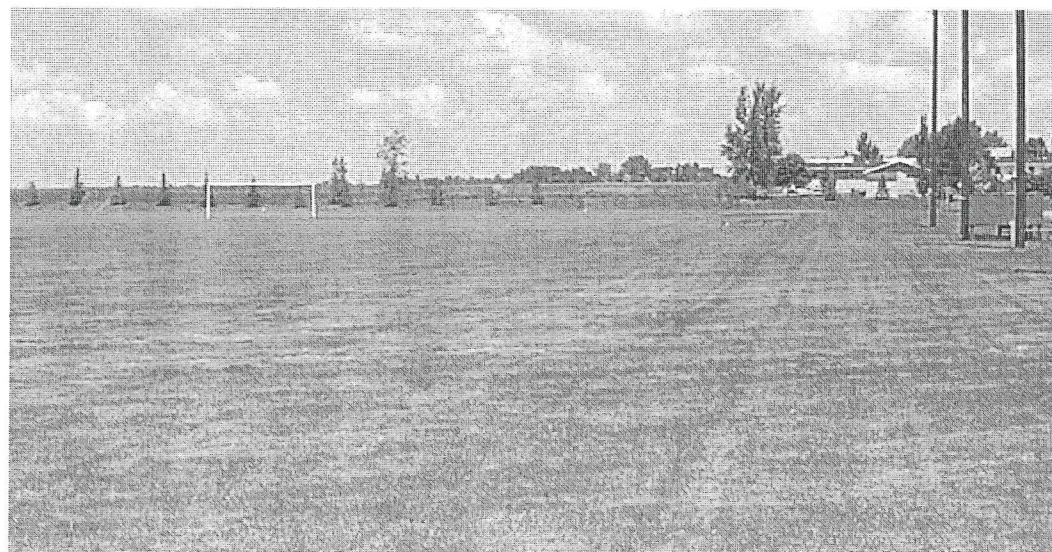

OPTIMIST SOCCER COMPLEX

This parcel of land was purchased in 1990 as a joint effort of the Minot Park District and the Minot Soccer Association. It consists of 25 acres, of which 12 1/2 are turf for six regulation size soccer fields. The fields are 100 percent bluegrass. The rest of the area are walking paths, support buildings and parking.

The most recent improvements include a scoreboard, bleachers for increased seating, lighting for night games and an additional concession stand.

This first-class facility, which was part of a Special Merit award given to the park district in 1995, has been the site of several regional and state tournaments over the past years. The Minot Soccer Association runs several programs for local and area youth throughout the season. The fields are also used for local junior varsity and junior high school games each season.

The Special Merit award received in 1995 was made by the Professional Grounds Management Society. It is a world-

wide organization made up of grounds professionals. Some of its members include horticulturists or grounds managers at major universities like Texas A&M and North Carolina State, and also include grounds professionals at major tourist attractions such as Disneyland and Walt Disney World, as well as other world famous resorts.

BRUINS HEAD COACH ...

Coach Dan Weiler is in his sixth season as the head coach for Fargo South. Since his appointment, the Bruins have finished the season with one state championship (1999) and a pair of third-place finishes (2000, '01).

In addition to Fargo South, Weiler also coaches at Concordia College.

He holds a United States Soccer Federation (USSF) "B" license and a BRUSA "C" license. He was named North Dakota State Coach of the Year in 1999 and Eastern Dakota Conference Coach of the Year in 1999 and 2000. In the winter of 2002, Dan was named as a finalist for the National High School Girls Soccer Coach of the Year.

Weiler graduated from Fargo South and graduated from Moorhead State University with a degree in elementary education. He currently teaches sixth grade math at Agassiz Middle School in Fargo.

PATRIOTS HEAD COACH ...

Brock Thompson has guided the Century Patriots into the state tournament for the fifth consecutive season. His Patriots have won each of the past three state titles and are looking to send him out with a fourth straight state title.

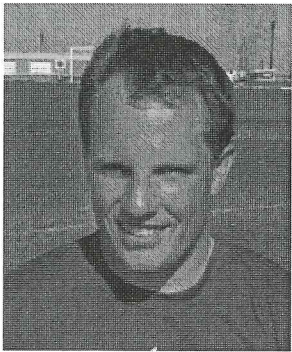

Thompson, in his fifth season as coach of the Patriots, announced his resignation last month. He will become an assistant coach at Indiana State University beginning this fall. Indiana State plays in the Missouri Valley Conference and is an NCAA I program.

In addition to coaching the Patriots, Thompson, a graduate of the University of Mary, has also coached the women's soccer team at U-Mary. He led the Marauders to a 39-23-4 record during that time. Thompson was the Region III coach of the year in 2002 and 2003 after guiding U-Mary to the national tournament each of those years.

Prior to assuming the role of head coach at U-Mary, Thompson worked as an assistant coach for the men's program at the school.

Thompson was a standout player during his career at U-Mary. He started in all 72 games during his career and was an NAIA All-American in 1998. He was a three-time team MVP and two-time captain of the Marauders.

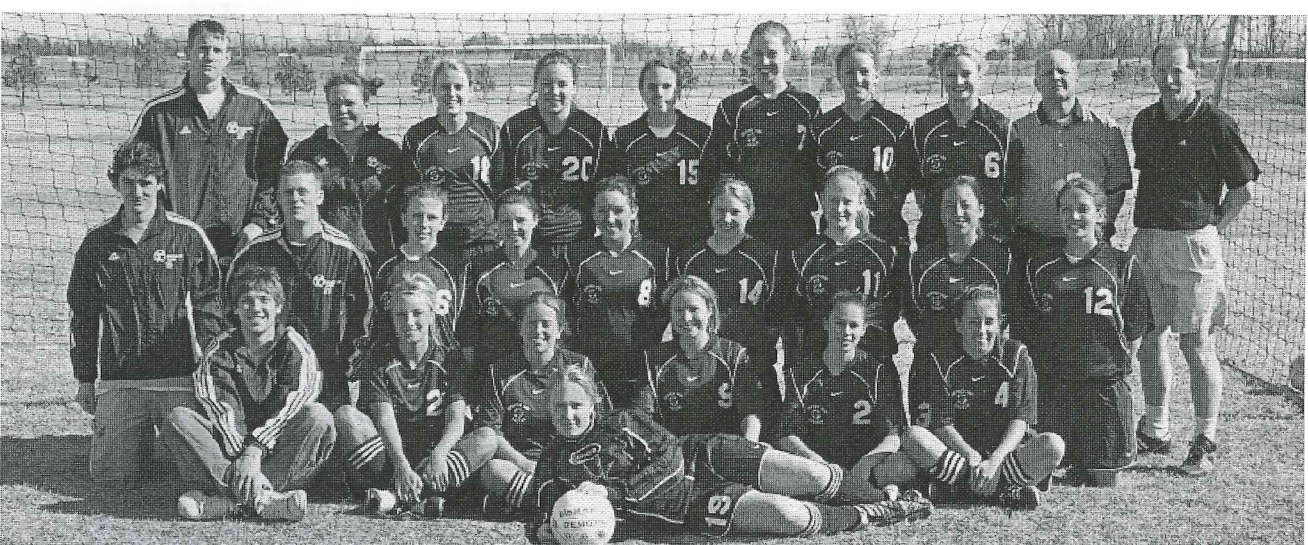

A 2000 graduate of the University of Mary, Thompson holds a degree in biology education.

DEMONS HEAD COACH ...

Mel Fischer is in his fifth year as head coach of the Bismarck Demons. Fischer has guided the Demons to a record of 8-5-3 this season and his team comes into the state tournament as the No. 2 seed from the West Region after finishing 5-2-3 in league play.

Fischer is a graduate of North Dakota State University and has coached in the Bismarck Public School system for 17 years. He has coached at Wachter Middle School for eight years and served as the assistant varsity boys soccer coach at Bismarck High from 1995 until 2000. Fischer has been the girls varsity coach at BHS since 1999 and has been the head coach of the boys team since 2003.

He is a registered official with the North Dakota High School Activities Association and a member of the coaches advisory committee representing the high school soccer community.

SAINTS HEAD COACH ...

Tim Mueller has been the head coach at St. Mary's since 1997. During that time he has guided the Saints to an 82-36-27 record and his teams have appeared in the state tournament each year during that span.

Mueller was also the head coach of the St. Mary's boys team from 1997 until 2003, before stepping down from that post to assume the head coaching duties of the men's program at the University of Mary. Mueller was the North Dakota girls soccer coach of the year in 2002.

Head Coach: Shelley Osmond
Asst Coach: Candace Bloms
GK Coach: Marlana Michaud

BLUE JAYS HEAD COACH ...

Shelly Osmond is in her second season as coach of the Blue Jays and advanced her team to the state tournament for the second consecutive year. Osmond, who is also the head women's soccer coach at Jamestown College, was raised in Calgary, Alberta, Canada and came to Jamestown after having served as the head coach for the Olds College Broncos women's soccer team in Olds, Alberta.

SHELLY OSMOND

Osmond led the Jimmies to the conference championship finals in both 2002 and 2003. In her inaugural season at Olds College the team finished second in Division II missing the Provincials when a sudden-death goal was scored in double-overtime at the regional playoffs. Osmond received a degree in physical education from the University of Calgary and is currently working on completing a second degree in communications. Prior to embarking on a professional coaching career, Osmond had worked as a general manager for a telecommunications/electronics company and as a special events/annual giving coordinator for the Olds College Foundation. She has playing experience in both the amateur and collegiate levels having played in the Canadian Intercollegiate Athletics Union (CIAU) soccer league for 5 years with the University of Calgary Dinosaurs as a goalkeeper and 2 years in the Alberta Major League. In 2000, Osmond was named the top goalkeeper in the Calgary Premiere League. Osmond's husband, Chris, who recently joined her at Jamestown College heads up the new Frappier Acceleration Program.

1999 STATE CHAMPIONS —FARGO SOUTH BRUINS

ABOUT THE NORTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION

I. Membership

The North Dakota High School Activities Association is a voluntary non-profit organization of the high schools of the State of North Dakota. All 185 schools eligible for membership belong to the Association. Membership is granted upon application of the School Board, at which time the school agrees to enforce the rules which the members have established and to participate in the legislative processes of modification and revision of rules to fit changing needs of the member schools and students.

II. Purposes

- To unify the high schools of the state in the promotion of pure amateur sports, music and speech activities.
- To standardize the eligibility rules and regulations under which interscholastic contests are held.
- To provide the schools of the state with sound and adequate programs of extracurricular activities.
- To promote the maintenance of standards which conform with the educational objectives of the schools.
- To improve standards of play and to develop understanding of rules governing play.
- To prevent the exploitation of the schools, the school activities, and the students enrolled therein.

III.

Brief History

The activities association was founded in 1908 under the name of the High School League and originally was concerned only with athletics. In 1923 the state organization became affiliated with the National Federation of High School Athletic Associations. A full-time executive director was employed in 1949, and assistant was added in 1963, a girls' sports supervisor in 1973, and a music and speech coordinator in 1978.

In 1950 the Consolidated League, an organization of the smaller schools of the state, affiliated with the High School League, thereby uniting all high schools of the state under one organization. Music and speech activities were placed under the direction of the Association in 1955, and the name was changed to the North Dakota High School Activities Association at that time.

Schools in the League were all one class for basketball competition from 1908 to 1932. A two-class system was used from 1933 to 1947 and a three-class system from 1948 to 1963. In 1964 the two-class system was restored and this arrangement has been in effect since then up to the present time.

Official state champions have been named in track since 1908 and in basketball since 1914. Official champions in other sports were later added as follows: golf and tennis 1938; baseball 1950; wrestling 1959; cross country 1961; hockey 1967; girls' track, golf and tennis 1966; girls' gymnastics 1969; girls' basketball 1974; boys' & girls' swimming 1974. State football championships were determined off and on between 1916 and 1959, when the practice was discontinued, but again restored in 1975. Basketball tournaments for girls were conducted by the Consolidated League for a number of years and by the NDHSAA from 1952 to 1960, at which time they were discontinued because of the small number of schools fielding teams. Girls' basketball was reinstated as an Association-sponsored activity in 1973 on a district level, with separate state Class A and Class B champions being named since 1974. Class A girls' volleyball state champions were first named in 1984 and Class B girls' volleyball state champions were first named in 1989. Boys' state soccer champions were first named in 1995 and girls' state soccer champions in 1996. Girls state hockey champions were first named in 2003.

IV. ACTIVITIES

The following chart indicates the activities sponsored by the Association, the number of senior high schools participating, and the approximate number of students participating in interscholastic competition during the 2002-2003 school year.

ATHLETICS		
Activities	Schools	Students

Total Speech		3,542

TOTAL PARTICIPANTS — 45,619

V.

Registration of Officials and Interpretation Meetings

More than 1,334 officials are registered with the North Dakota High School Activities Association. These men and women are furnished rule books for the sports in which they officiate, and examinations are provided annually in basketball, football, gymnastics, hockey, soccer, volleyball, and wrestling. Upon meeting certain prescribed standards, the members advance from 'apprentice' officials, 'registered' and finally to 'certified' classifications.

During the past year, more than 60 rules interpretation meetings have been held throughout the state, and more than 5,000 individuals attended these meetings. Meetings were held for baseball, basketball, football, golf, gymnastics, hockey, soccer, swimming, track, volleyball and wrestling.

VI. Cheerleader Clinics

The NDHSAA has recognized the importance of safety in cheerleading. Because of this, the Association has added rules/safety clinics for head cheer coaches of all member schools. These clinics recognize the importance of informing cheer coaches of proper safety techniques as well as emphasizing the responsibility of cheerleaders for sportsmanship and crowd control.

VII. Video Service

The Association maintains a library of videos on sports and fine arts and are on file at the NDHSAA office and can be viewed by schools upon request.

VIII.

Organization of Association

BOARD OF DIRECTORS

The Board of Directors consists of 11 members, three of which are administrators of member Class A schools, four administrators of Class B schools, one high school principal as a member-at-large, and one athletic administrator. These representatives are elected by the membership as a whole, with each school having one vote. In addition, a representative of the North Dakota Schools Boards Association and the Superintendent of Public Instruction serve as members of the Board.

REPRESENTATIVE ASSEMBLY

The superintendent or high school principal or athletic administrator of each school serves as a member of the representative assembly, with each school being entitled to one vote. An annual meeting is held each year to adopt rules and regulations governing inter-school contests and eligibility regulations. All such rules are made by the representative assembly.

DISTRICT COMMITTEES

The district activities are controlled and managed by committees elected by school officials in each area.

EXECUTIVE OFFICERS

The administration of the various programs and the implementation of the policies of the Association are placed in the hands of an executive secretary and three assistants who are employed by the Association.
