Extraordinary warmth in Fargo-Moorhead...  
**courtesy of Dawn Bangsund.**

There's only one thing on your mind after a long day on the field...pizza. The place is great, but your ankle is giving you some trouble. Your server, Dawn, notices and clears some space for you to put your feet up!

Why is Fargo-Moorhead such a great location for your sporting event? It's the people. Sure, the winters can be cold, but we make up for it in warmth.

# Welcome Soccer Fans!

The **Metro Area Tournament Committee** and the communities of Fargo and West Fargo would like to extend a warm welcome to the Pepsi Soccer Complex and North High School for the State Girls' Soccer Tournament. We look forward to providing an exciting and memorable experience for all players, coaches, cheerleaders and fans. The Committee is grateful to the Fargo Park District and North H.S. staff and administration for their cooperation in assisting with hosting of this event. Without the full support of the metro area and our corporate sponsors much of this tournament would not be possible. Thank you again.

As an extension of the North Dakota High School Activities Association's effort to promote sportsmanship and goodwill among schools and athletes, we hope you will join us in providing encouragement and support to all who are here.

**Best Wishes to all the teams!**

### Metro Area Tournament Committee

The Fargo area hosts numerous high school tournaments at various levels and divisions of athletic competition. In an effort to develop a stronger and more efficient tournament committee, the athletic directors of the Fargo Schools have combined the resources of Shanley, West Fargo, North, South and Oak Grove High Schools to provide manpower for hosting tournaments. The result was the formation of the Metro Area Tournament Committee, which consists of a steering committee, finance committee, promotions committee, events management and hospitality.

Each member of the steering committee is given various assignments which results in the development of a work force and job descriptions for the individual needs at tournaments. Many of the individuals that are working at these tournaments are donating their time and talents in an effort to provide the very best event. The combined efforts of this committee has resulted in the Metro Area Tournament Committee to host local, regional and state future tournaments. We are thankful to all who have given support. Through these efforts we will be able to provide the fans, players, and the schools with a memorable experience.

**Good Luck to all the teams and athletes!**
