BISMARCK WELCOMES 2018 STATE GIRLS' SOCCER

Welcome to the 2018 North Dakota Girls' State Soccer tournament. The MDU Resources Bismarck Community Bowl, the Bismarck Public Schools, and the City of Bismarck are pleased to have the opportunity to host this event. The State Tournament is a showcase of the eight qualifying teams from the East and West Regions. This marks the 23rd year that this event has been sanctioned by the North Dakota High School Activities Association.

Soccer is a sport that requires hours of conditioning, practicing and performing in all kinds of North Dakota weather. However, the lessons learned through soccer are priceless. The experiences of soccer are the same disciplines and values that carry our athletes through life. Thank you for competing and allowing us to showcase you.

A special thanks to the coaches. Your commitment to making your athletes the best that they can be is commendable. We need more people like you.

This program contains pictures and rosters of the qualifying teams, along with some information regarding the short, but exciting history of girls' soccer. We'd like to give you our most sincere welcome and let you know that we want you to enjoy your stay in the Capital City. Best of luck to all the teams!!

- Dave Zittleman, Tournament Manager
