3. Show respect for the opponent at all times. Good Sportsmanship is the Golden Rule in action.
4. Recognize and appreciate the skill of performance regardless of team affiliation.
5. Maintain self control at all times. Good sportsmanship is a responsibility of all who are involved in the game.

SPORTSMANSHIP

Good sportsmanship is conduct which imposes a type of self-control involving honest rivalry, courteous relations and graceful acceptance of results. School spirit is a reflection of those attitudes and behavior. Rules of tennis etiquette require that we refrain from cheering unforced errors or to distract from the match with loud and uncontrolled responses. This may lead to competition among observers which is mistakenly under the auspice of good sportsmanship.

Observers are also asked that they refrain from aiding or assisting players with calls, scoring, instructions, etc. Court monitors are solely responsible to aid players with problems that may arise from a particular match.

If interscholastic competition is to succeed in one of its prime functions, that of developing good citizenship, it is necessary that our entire group radiate proper sportsmanship conduct. Sportsmanship is good citizenship in action. The promoting of sportsmanship is everyone's responsibility.
