SPORTSMANSHIP

Good sportsmanship is conduct which imposes a type of self-control involving honest rivalry, courteous relations and graceful acceptance of results. School spirit is a reflection of those attitudes and behavior. Rules of tennis etiquette require that we refrain from cheering unforced errors or to distract from the match with loud and uncontrolled responses. This may lead to competition among observers which is mistakenly under the auspice of good sportsmanship.

Observers are also asked that they refrain from aiding or assisting players with calls, scoring, instructions, etc. Court monitors are solely responsible to aid players with problems that may arise from a particular match.

If interscholastic competition is to succeed in one of its prime functions, that of developing good citizenship, it is necessary that our entire group radiate proper sportsmanship conduct. Sportsmanship is good citizenship in action. The promoting of sportsmanship is everyone's responsibility.

NDHSAA MINIMAL BEHAVIOR EXPECTATIONS FOR REGULAR AND POSTSEASON COMPETITIONS:

- Respect the American flag and the National Anthem.
- Contesting schools shall each have an authorized faculty representative present who shall be responsible for his/her school's participants, students, and fans throughout the contest.
- Spectators must wear clothing that covers the entire torso. Those who do not comply or who wear clothing that is vulgar, obscene or that in some other way inappropriate, as determined by school/tournament personnel, will be removed from the facility if they do not cooperate with this behavior expectation.
- The use of appropriate language is expected at all times. Profanity, negative chants, trash talk, name-calling, personal attacks or other acts of disrespect are unacceptable and must be immediately addressed by school/tournament administrators. Any discriminatory slur will result in immediate removal from the facility.
- Any attendee ejected from a NDHSAA tournament venue will be banned from the venue(s) for the remainder of the event.
- Respect the game/contest. Under no condition shall anyone other than the members of the official squad enter the playing surface. No one may interfere with the contest in any way.
- Hand held signs and flags, which do not obstruct the view of others, are permitted provided they are in good taste. Signs or other similar items contest/tournament officials deem to be in poor taste will be removed. Message or "white" boards are prohibited. The carrying of flags around the playing surface is NOT allowed.
- Artificial noisemakers of any kind (i.e., megaphones, cowbells, sirens, whistles, thunder sticks, and other similar items) are not allowed at any indoor events, including outdoor sports played at indoor venues. Exception – Megaphones appropriately used by cheerleaders are permitted if allowed by contest officials.
- Laser lights or any other lights deemed distracting to participants are strictly prohibited.
- Confetti is banned at all NDHSAA tournament venues. Tournament staff is instructed to confiscate such articles at the door.
- Objects shall not be thrown into the stands at any NDHSAA tournament venue.
- The use of unmanned aerial vehicles (UAV), also known as drones, is prohibited for any persons at NDHSAA tournament venues.

#1 KILLER OF TEENS.

Impact

Teen Drivers

Distracted driving kills teens, so the North Dakota Association of Counties has teamed up with the “Impact Teen Drivers – What Do You Consider Lethal” Campaign with an interactive, high energy program to help teens think about the deadly impact of distractions like texting, reaching for objects or selecting music while driving.

To book this program, please contact:

- No cost, easy-to-use
- For teachers, safety educators, law enforcement and students
- Encourages teens to take a lead in peer-to-peer messaging
- Hour-long assembly or classroom style
